

ML Strategies Posts Weekly Health Care Update on June 30, 2014

July 01, 2014 || By Theresa Carnegie

ML Strategies has posted its weekly **Health Care Update**. This publication provides timely information on implementation of the Affordable Care Act, Congressional initiatives affecting the health care industry, and federal and state health regulatory developments.

This week policymakers are primarily focusing on the ramifications of the Supreme Court's ruling in the much anticipated *Burwell v. Hobby Lobby* case, holding that closely-held companies cannot be required to cover contraceptives under employee health plans if the company's owners have religious objections.
