

ML Strategies Posts Weekly Health Care Update on September 15, 2014

September 18, 2014 || By Theresa Carnegie

ML Strategies has posted its weekly **Health Care Update**. This publication provides timely information on implementation of the Affordable Care Act, Congressional initiatives affecting the health care industry, and federal and state health regulatory developments.

This week is National Health IT Week. While Congress has stalled on various health care legislative initiatives, Health IT and related policy areas, such as telehealth, have received growing attention and support as policymakers focus on the exploding industry's ability to broaden access, lower costs, and re-define privacy.
