

ML Strategies Posts Weekly Health Care Update on October 13, 2014

October 15, 2014 | | By Theresa Carnegie

ML Strategies has posted its weekly **Health Care Update**. This publication provides timely information on implementation of the Affordable Care Act, Congressional initiatives affecting the health care industry, and federal and state health regulatory developments.

This past week, the Pioneer ACO quality and financial data was finally released with mixed results. The evolution of ACOs continues to be a leading issue for the Obama Administration heading into the end of the year. As policymakers continue to consider programmatic changes to the ACO programs, stakeholders from drug manufacturers to telehealth companies are all becoming heavily invested in the next iteration of the most high profile delivery system reform initiative created by the Affordable Care Act.
