The pharmacy industry is under increasing scrutiny from all angles. Whether at the legislative or agency level, Washington as well as many states seem intent on addressing perceived issues surrounding **drug pricing, reimbursement, and program integrity**.

In light of the significant changes in the pharmacy industry in **2015**, Mintz/ML Strategies is bringing together stakeholders and thought leaders from across the industry to share knowledge and insight on this rapidly shifting landscape at the **2016 Mintz/ML Strategies Pharmacy Industry Summit**.

The Summit will be on May 10 at the Mintz Washington DC office. Event details can be found [here](#).

Session topics will include:

- State of the Industry - Drug Pricing Challenges and Opportunities
- The New Wave of Value-Based Pricing and Contracting

- The Repeal of Medicare Part D Non-Interference - Practical Realities
 - Federal and State Drug Transparency Initiatives
 - Implications of the Final AMP Rule
- Space is limited so please [register now](#).
