

Health Care Weekly Preview from ML Strategies - Week of April 24, 2017

April 24, 2017 || By **Kate F. Stewart**

Today, our colleagues at **ML Strategies** provided another installment of their **Health Care Weekly Preview**. The preview highlights upcoming activity in the House and Senate and other hot topics on the Hill. Highlights this week include the potential of a government shutdown, uncertainty around cost-sharing reductions for the 2018 plan year, and scheduled mark-ups by the Senate HELP Committee.

For an outlook on health care policy in the coming months in Congress, ML Strategies provided their insight in our **prior post**.
