

ML Strategies Weekly Health Care Preview - Week of October 30, 2017

October 30, 2017 || By

As the calendar turns to November, pressure continues to grow in Congress to pass a CHIP extension and address outstanding minibus extenders. Also on the radar is the first open enrollment period under the Trump Administration and the implications this could have for other policy issues. For the complete ML Strategies preview, please click [here](#).
