An alert by [Douglas Hauer](#), Member, [Alexander Hecht](#), ML Strategies - Vice President of Government Relations, and [R. Neal Martin](#), ML Strategies - Senior Manager of Government Relations, details proposed legislative reforms to the Immigrant Investor Program, more commonly known as the "EB-5 Program."

SERVICE AREAS

- Federal Government Relations
- Trade & International Affairs

In the current congress, legislation has been introduced in the House of Representatives to make the Regional Center program permanent, and in the Senate to extend the program for five years. Both measures would make reforms to the program. [Click here](#) for further details.
