

ML Strategies Weekly Health Care Preview - October 9, 2018

October 19, 2018 || By

While the House is out on recess, the Senate continues to be in session. This week the Senate has some non-health care related hearings scheduled as well as nomination hearings. We are looking for signals for a deal to finish work and send vulnerable Senators home to campaign. However, while legislative action may begin to cool down, regulatory activity at OIRA could be heating up.

[Read about this and more in the ML Strategies health care weekly preview.](#)
